Thank you for sending your Registration.

We are looking forward to a fun filled learning experience at the LJYC with your child.

LOCATION

LJYC Sailing School is on the CNIB property just off Lake Joseph Road, #4 Joe Finley Way. We are located south of Gordon Bay Marine and North of Footh Bay.

Please take great care and observe the posted speed limits. as you enter the CNIB road as there are visually impaired campers on site.

Proceed straight down this road until the end where you will see our site. You can't miss the sailboats!!!

There is limited parking at the sailing centre and we ask you to park at the end of the lane or on the West side of the laneway. Please avoid parking the gravel Fire route. You can find us on Google Maps.

TIME

Regular Sailing School Hours are from 9:00 am to 4:00 pm daily, Monday to Fridays (**except the August Civic Holiday**, no sailing on the Monday). Note Morning only sessions from 9:00am to 12:00pm.

Please do not be late to drop off or pick up your child. Our instructors have preparation and planning to do before and after classes and cannot be responsible for your child outside these hours.

LUNCH & SNACKS

As you know, School runs through 7 weeks of a very hot (we hope!) summer. Please remember that lunches and snacks may be outside in the sun for most of the day.

All students in a full day program will need to bring a lunch with them as there is no on-site facilities to purchase food. We do have water on-site to fill up student water bottles however.

NOTE: It is important that any nuts, including peanut butter, not be a part of any lunch or snack during school hours. Several students enrolled have severe peanut allergies. We are a nut free facility.
